# Dufur Volunteer Fire & Ambulance

## 2018 Membership

Even with medical insurance, ambulance rides are rarely covered in full. Medicare and private insurance companies only pay part of the cost of an ambulance ride. With a Dufur Membership, you don't need to worry about any unpaid balance. In addition to membership benefits in the immediate Dufur coverage area, you will receive the same benefits in 50 other regions throughout Oregon.

Your $45 stays in Dufur. All funds received go toward training and equipment for the local service. This helps us provide quality pre-hospital care and transportation.

Your membership provides coverage for your immediate family: spouse and children under 21 living in the member's residence. Non-family members living in the residence are considered separate families and require separate memberships. Memberships are for 1 year-January thru December. Rates are pro-rated if you do not have a membership and would like one. Support your local ambulance as if your life depended on it. (This membership does NOT include LifeFlight)
